## Profile Summary

---

A final-year engineering student with a strong interest in **computer science** and technology. Completed schooling with a focus on academics and appeared for the **JEE Main** examination, which sparked my curiosity and passion for **problem-solving** in the field of **technology**. This interest motivated me to pursue **engineering** to deepen my understanding of computer science concepts and their applications. Known for my analytical mindset, adaptability, and eagerness to learn, I am committed to building a strong foundation for a successful career in technology.
